

## Preston Indoor Bowls Club Monthly Newsletter – July 2024

### New Club Singles League

As mentioned in previous newsletters the Club proposes to run a Singles Challenge League next season between October and March. The purpose is to give members an opportunity to meet new players, whilst providing a fun challenge event throughout the Winter.

The league will comprise divisions of 4 players, who play 3 matches within their division each month. The top player in each division will move up one division and the bottom player will move down one division, with the overall winner being the top player in division 1.

Thank you to those who have put their names on the list in the Club to express interest in joining this League. We will be emailing you directly with further details and to confirm involvement. **If anyone else would like to join please let us know by 31st August.**

We are still looking for someone to sponsor awards. As previously suggested, this could be a trophy, perhaps in memory of a loved one. Please contact the organisers if you can help in this way.

Organisers are Phil Cresswell (07860 284426 [phil.cresswell@hotmail.co.uk](mailto:phil.cresswell@hotmail.co.uk)) and Sue Gotham (07761 785862 [suegotham54@gmail.com](mailto:suegotham54@gmail.com)) who can provide further details if needed.

- The toilet renovation work is still going ahead but has been **postponed until 2nd September**. Please be aware that the disabled toilet will be the only toilet available during this work, which should last 3 weeks. If you require refreshments, you should check with the kitchen for opening times as water disruption may have some effect on service.
- As usual, the **club will be closed**, for the Pride Festival, from Saturday 3rd August until Sunday 4th August.

- 🏆 Can Members, who have previously organised League and Football teams, be prepared to be contacted by organisers of those events for the new season. If you can spare the time, the Bowls Committee are looking for **someone to update and publish the weekly League Table** (it used to be done by Bob Rolf 😞).
