

PRESTON CHALLENGE LEAGUE

This new singles league is all set to commence in October and those having expressed an interest will be notified of their allocation to divisions towards the end of September. Finalised rules will be available on the league noticeboard located near the disabled exit door.

This league will comprise divisions of 4 players, who play 3 matches within their division each month. We have had good support so far but could do with a couple more players to even up the numbers. It is not too late to sign up, so please let Phil or Sue know if you are interested in joining.

Organisers are Phil Cresswell (07860284426 phil.cresswell@hotmail.co.uk) and Sue Gotham (07761785862 suegotham54@gmail.com) who can also provide further details if needed.
