

## Preston Indoor Bowls Club Monthly Newsletter – June 2024

### Toilet Renovation

Please be aware that contractors will shortly be renovating both the Mens and Ladies toilets in the indoor clubhouse. Many of you will have noticed some deterioration in these facilities over the years. The Board has decided that, for the benefit of the Members and to maintain the good reputation of the club, this work must be done and the time is now.

The work will take approximately 3 weeks and has been scheduled to start mid July.

The contractors will make every effort to minimise disruption to the club but some noise and (excuse the pun) some inconvenience is inevitable. Please use the disabled toilet, if required. Hopefully, the work will go smoothly and be completed before the start of the new indoor season.

**This is your Board working to improve your club for your benefit.**

-  Membership renewal forms will shortly be sent out to all members. Following the recent AGM decision, there is now a 3 year interval between a new member joining the club and the issuing of a company share. Please be careful not to let your membership lapse or **you will lose your share and have to wait 3 years before a new share can be issued!**
-  We've been asked about which shoes are the right shoes to wear on the indoor carpet. After assurance from Dales, this club will allow any soft soled, flat shoes when bowling indoors. **If shoes have been used outside, they must be cleaned before being used indoors.** Members should be aware that other clubs may require proper bowls shoes to be worn so please be aware of that issue when signing up for away matches.
-  The club needs two or three volunteers to form a new social committee which will liaise with the kitchen to organise more social activities for both afternoons and

evenings. This new group will have enthusiastic support from Veronica Michael. We are very grateful to Ian Ward and his team for their Bingo evenings and we need other people to expand this kind of club activity. Race Nights, Quizzes, Music Evenings or ShuffleBoard are all enjoyable pastimes which would **add to the richness of club life**. If you have some spare time to give and like this idea, please don't hesitate to contact Veronica on 07766 242465.
